

Property Address: _____

Proposed Site Plan

Property Owner Name: _____

Directions: Use the space below to show a bird's eye view of the property. Clearly label and indicate everything on checklist.

SITE PLAN EXAMPLE

Checklist

- Indicate all property lines with dimensions
- Label all streets and alleys
- Label all proposed and existing structures and their dimensions
- Label distances between all structures, structures and property lines and centerline of road
- Indicate any structures to be removed
- Indicate driveways and off-street parking
- Indicate properly oriented North arrow
- Label all easements and utility locations
- Label water, sewer, electrical points of connection and service routes
- Label septic tank and drain field

I certify that the above Site Plan is a true representation of this lot and accurately shows all dimensions, easements, and proposed and existing structures on said lot. Any deviation from this approved Site Plan may void the Permit.
