## New Residential Dwelling Required Document Checklist

### Please Note:

- All documents on this list are required.
- All the documents must be submitted at the same time
- We *cannot* accept singular documents that do not comprise a **complete** application.
- We cannot “hold” documents for you.
- We cannot accept singular documents by email.
- This list should be used in conjunction with information on our website.

### 1. Wisconsin Uniform Building Permit Application

- Signed and Dated
- Res Check Calculation Filled In
- Setbacks Filled In
- Subs and Licenses
- Project Cost
- EMAIL for receiving inspection reports

### 2. Building Plans

- If the dwelling is in a Village, City or the Town of Clifton, you must submit: (2) 11"x17" sized copies and (1) 24" x 36" sized copy for a total of 3 copies of the plans.
- If dwelling is NOT in a Village, City, or the Town of Clifton, you must submit:  
(1) 11"x 17" sized copy and (1) 24"x 36" sized copy (or very similar) for a total of 2 copies of the plans.

### 3. Braced Wall Detail *Please check one:*

- I have clearly indicated ALL 5 requirements:
  1. Description of circumscribed boxes
  2. Placement of wall bracing on plans
  3. Method Used
  4. Amount of bracing **REQUIRED**
  5. Amount of bracing **PROVIDED**
- Using SIPS so I am providing a copy of the engineering instead of Braced Wall Detail
- I do not need Braced Wall Detail because I am building my house like a pole shed with posts in the ground

### 4. Plat Map/CSM (This is not the same as a site plan (#5) nor is it the preliminary site plan that you may have received from the surveyor.) *Please check one:*

- Copy of the recorded Certified Survey Map (CSM)
- Copy of the recorded *complete* plat map of the development
- Unplatted—remember, it's up to you to know your setbacks, easements, etc. for your lot.**
